

# ROICC Metrics and Contractor Evaluations

Bill Colden, P.E.

LANTDIV ROICC Conference

15 January 2003

# ROICC Metrics

- ◆ The five ROICC Metrics are:
  - WIP/FIP/RIP to Target
  - Cost Growth (under development)
  - Schedule Growth (under development)
  - Invoice Processing Time
  - Modification Processing Time
- ◆ Metrics are intended for ROICC not HQ use
- ◆ Metrics should be posted for everyone to see
- ◆ Each employee should know how the office is performing

# Contractor Evaluations

- ◆ All ROICC Offices shall input the own CCASS information
  - One POC within each office to input data into CCASS
  - NAVFAC instruction still requires all unsat, marginal and outstanding evaluations to be forwarded to LANTDIV
